Dear Councilmembers,

While there are many significant and worthy projects contained within Bill 20, I would like to speak in support of the line item identifying \$200,000 to subsidize the Leeward Coast Summer Fun Subsidy program for low-income families.

This program is very important for our many families on the coastline which depend on the program to help with their children during the summer months.

Written Testimony As many of our families are fairly large, the full costs to send their children becomes a large burden on their families and now with the COVID-19 pandemic will place an even greater economic impact on families.

Therefore, I encourage you to support this line item to help the many families who will need that extra support as we slowly recover from the impacts of the pandemic.

Mahalo,

Cyntha K.L. Rezentes

Chair Anderson and members of the Council,

Mahalo for the holding the discussion on budget impacts, experienced and projected.

Written Testimony I hope that this discussion will lead the council to conclude that Bills 19, 20 and 21 cannot pass second reading until adjustments are made to the budgets based on the latest projections and the public has an opportunity to review and comment on the latest versions.

Thank you.
